

VISITOR RESTRICTION GUIDELINES

Effective Monday, 5/03/21, the following Visitor restrictions shall be in place to ensure the safety of our patients and healthcare personnel.

- ALL visitors must enter through the main lobby.
- Visiting hours shall be from 9AM to 7PM daily.
- The patient may have some visitors per day, however only 1 person at a time will be allowed in the patient's room.
- Only one healthy visitor for all emergency department patients.
- Exceptions to the policy may be made for those patients with prolonged hospitalization, receiving end-of-life care or who have extraordinary circumstances and must be made in consultation with nursing supervisor or Director.
- All visitors must stay in the room with a mask on at all times.
- No community visitors will be permitted to the hospital's cafeteria.
- Any visitor who exhibits body temperature greater than 100° F or signs and symptoms of illness may not visit hospitalized patients.
- No visitors will be allowed if COVID-19 positive or high suspect PUI.
- Visitors may be asked to leave if the patient's condition changes.

Thank you for your support of these measures as a way to keep our patients, visitors, employees and community safe.
