

VISITOR RESTRICTION GUIDELINES

As a result of the most recent Stay At Home order, the following Visitor restrictions will be in place starting 12/7/2020 to ensure the safety of our patients and healthcare personnel.

- NO VISITORS WILL BE ALLOWED. (see exceptions below)
- Only one healthy visitor for pediatric patients
- Exceptions to the policy may be made for those patients with prolonged hospitalization, receiving end-of-life care or who have extraordinary circumstances and must be made in consultation with nursing supervisor or Director.
- All visitors with special approval must stay in the room with a mask on at all times
- Family members may be approved to stay if they will be serving as a sitter for the patient and the patient is not in a double occupancy room.
- No community visitors will be permitted to the hospital's cafeteria
- Any visitor who exhibits body temperature greater than 100 F or signs and symptoms of illness may not visit hospitalized patients.
- No visitors will be allowed for + COVID or high suspect PUI
- Visitors may be asked to leave if patient's condition changes

Thank you for your support of these measures as a way to keep our patients, visitors, employees and community safe.
